Re: Expansion of Alpha Collection Sites for Naturopathic Doctors- Brooklin

ICL Integrative Laboratory Services is pleased to announce availability of a blood collection service for your patients in Brooklin, Ontario.

Effective Monday September 19th, ICL in collaboration with Alpha Healthcare will offer specimen collection services at **5959 Anderson St., Lower Level, L8, Brooklin, ON L1M 2E9**, Monday to Friday 8:00 am – 2:00 pm.

Alpha Healthcare offers specimen collection services at 19 licensed Alpha Laboratories Patient Service Centres (PSC) for tests listed on the **ICL Integrative Laboratory Services Test Menu**. Patients may visit a PSC to have blood specimens collected or may drop-off patient-collected samples. PSC locations and hours of service are listed in the attachment. Please note that the hours of service are designated for this service and vary from PSC-to-PSC to accommodate same-day delivery to ICL.

To access collection services:

- Complete and sign the **ICL Blood Collection Requisition**. Customized requisitions are available from ICL Client Care.
- If the blood tests you are ordering require a specialty collection kit, please indicate on the **ICL Blood Collection Requisition**, the number of specialty blood collection kits required. Please ensure specific requisitions inside the kits are also filled out completely and authorized by the ordering Naturopathic Doctor. Specialty blood collection kits are available by contacting ICL Client Care.
- Ask your patient to present at a PSC within the designated hours of service with the completed requisition and with any collection kits required for the ordered tests.
- Your fee for each patient visit to a PSC for blood collection is \$20.00. ICL will invoice your account; patients will not and cannot be billed for the collection service at the PSC.
- Patients may deliver self-collected kits to PSCs within the designated hours of service and the kits will be appropriately processed. There is no fee for this drop-off service.

If you have any questions please contact the **ICL Client Care Team, 416-422-3000 ext. 300, or Toll Free: 1-888-285-7817 ext. 300** or email info@iclabs.ca
