**Memo No.** ILS-2016-021  
**Date:** October 7, 2016  
**Memo To:** Naturopathic Clients  
**Re:** During Hurricane Matthew

---

ICL has received notification from **SpectraCell** and **Cell Science Laboratories** that due to the current hurricane warnings for their areas, there is the possibility of increased transit time potentially rendering blood specimens not-viable. As a precaution we advise to not have patient blood samples collected today as couriers will not be able to deliver the specimen in the required amount of time.

If you have any questions please contact the **ICL Client Care Team, 416-422-3000 ext. 300, or Toll Free: 1-888-285-7817 ext. 300 or email [info@iclabs.ca](mailto:info@iclabs.ca)**
