Re: Supply Delivery

Dear Valued Client,

If you are unavailable when Purolator delivers your order of supply kits, please ensure that the supplies are picked up at the location listed on the delivery notification. If the supplies are not pick-up within 5 business days, Purolator returns the supply kits to ICL and subsequently charges to re-deliver. ICL will need to charge Clients for re-sending of those supplies. Your cooperation is much appreciated.

To order kits or if you have further questions, please contact **ICL Client Care at (416) 422-3000 Ext. 300** or info@ICLabs.ca
